

SP 15.5 Cost or Pricing Data

Substantive changes made for the 3-31-06 revision:

1. Revises the CLAUSES section to reflect the correct FAR clause numbers.
2. Revises the SCOPE section to reflect the new value of \$550,000. It used to be \$500,000.
3. Deletes the definition of a commercial item. This is defined in SP 1.2.
4. Rewords and reorganizes the entire SP to flow logically. None of these changes are substantive.
5. Deletes the requirement that cost or pricing data has to be submitted on an SF-1411. Cost or pricing data may be submitted in any format as long as it contains all the cost and pricing elements and supporting information.
6. Deletes exhibit 15.5a, *Certificate of Cost or Pricing Data*. This exhibit is available in the LBNL Forms Cabinet on the I:/ drive.
7. Revises the “Determination to Obtain Cost or Pricing Data” section to indicate that cost or pricing data shall not be obtained for acquisitions below \$550,000.
8. Updates the prime contract references to Contract 31.
